DAISY AWARD

Congratulations to Aaron Tate as he is the recipient of
SPCA Cincinnati's Daisy Award!

"I am a Kennel Technician at the Northside shelter. My job includes deep cleaning, feeding and caring for the animals. What I find most interesting about my job is the personalities of all the many dogs we serve. I enjoy sports (especially basketball), gaming and Herpetology (the study of reptiles). I have one son who is 14-years-old. His name is Anthony. As far as pets, I own 2: (1) bearded dragon & (1) Leopard Gecko. My favorite quotes are 'aim high' & 'put your best foot forward'..."
—Aaron

Thank you Aaron for all that you do!

Achieve A Better Balance In Your Life

At times, short-term or permanent changes caused by family situations can make it difficult to find a balance between work and home duties. Changes in your child's school schedule, caring for an older adult, or expanding your family can be overwhelming, but small adjustments to your daily routine can help you regain the balance you lack.

Slow down.

Life is simply too short, so don't let things pass by you in a blur. Take steps to stop and enjoy the things and people around you. Don't make plans for every evening or weekend, and find some ways to distance yourself from the things that are causing you the most stress.

Learn to manage your time.

Avoid procrastination. For many people, most of the stress they feel comes from simply being disorganized and procrastinating. Learn to set more realistic goals and deadlines, and then stick to them. You'll find that not only are you less stressed, but your work will be better.
