Fiscal Year 2019  
Annual Report

NEARLY **12,000**  
ANIMALS ENTER OUR  
SHELTER EACH YEAR

## A Message from the President & CEO

Dear Friends of the **SPCA Cincinnati**,

2019 was a very successful year for our shelter, our pets, and the families which we serve in our region. Our accomplishments were made possible by the love and care of our Supporters, Donors, Sponsors, Volunteers, Trustees, and Staff. Without their dedication and support, we would not be able to effectively accomplish all that we were able to do in 2019.

The **SPCA Cincinnati** made some tough decisions in 2019. Our Board of Trustees voted unanimously to not accept the 2020 Hamilton County Dog Warden Contract. We began and completed the Joanie Bernard Foundation Cat Center in Sharonville. We started the construction of an expansion of our dog kennels at the Sharonville location. We upgraded and refurbished the facilities at Colerain. We began the process to add restrooms and upgrade facilities at the Simmonds Farm in preparation for additional Summer Camps.

In addition to all these changes, we did not change our core goals... We placed 100% of adoptable pets into forever homes. We maintained our net-zero sterilization goal - no waiting for spay/neuter surgeries. We increased our overall live release rate to over 91%. We decreased our average "Length of Stay" to an average of 6 days. 100% of our dogs received a rabies vaccination and we are still a flea and tick free facility. We continued to transport dogs and cats to other communities which need pets. Our partnerships grew in 2019. The Pet Coalition of Greater Cincinnati was able to focus on Lower Price Hill for free vaccinations, education, training, veterinary care, and pharmaceuticals. The improvement in quality of care and reduction in infractions has proven that our methods are successful. More importantly, our processes and activities are able to be replicated to help other communities.

Thank you again for all of your support and loyalty,

A handwritten signature in blue ink, appearing to read "Jake White".

## A Message from the Chair

Dear Friends of the **SPCA Cincinnati**,

Thank you to our generous Donors, Volunteers, Staff, and Community Supporters who allow us to provide outstanding services that have a tremendous impact on animal welfare in Southwest Ohio.

As you read this annual report, I encourage you to reflect on the many diverse ways the **SPCA Cincinnati** strengthens the relationship between pets and people in our Community. As an “Open Admissions” facility, we are literally the last chance for many pets. To make the process more effective and efficient, we incorporated “Managed Intake” to allow our team the needed time to problem solve or to fully help the family and their pets.

**SPCA Cincinnati** has served as the contracted provider of the Dog Warden services for Hamilton County since 1964. In recent years, our mission as a humane society began to move in a different direction and the duties of the Dog Warden were not always in alignment this mission. We began to work cooperatively with the Hamilton County Commissioners to transition these duties to another entity. We are pleased that, effective July 31, 2020, this transfer will take place and **SPCA Cincinnati** will become exclusively a humane society.

The continued support from the Cincinnati Community is essential to our mission. On behalf of the Board of Trustees, I want to thank and congratulate our dedicated and committed Staff and Volunteers.

Sincerely,

Thomas W. Chatham  
**2019 Board of Trustees Chair**

A photograph of a woman with long dark hair, wearing a dark patterned top, leaning over a dark surface. She is holding a small amount of brown kibble in her open palm, offering it to a small white and grey tabby kitten. The kitten is sitting on the surface and looking at the food. To the left of the kitten is a silver metal bowl. The background is softly blurred, showing what appears to be a window or a doorway with light coming through. The overall mood is warm and caring.
